Quality Manager  
Lear Corporation  
Duncan Plant  
Subject: 2 AM

2 AM has been an approved vendor for the Lear Duncan Plant for the past several years. We currently have a corporate agreement with 2 AM as it relates to pricing. Their quality of service and ability to respond quickly has made them a supplier of choice.

We would be glad to recommend them to any current or future suppliers. Our partnership has proven to be successful.

A handwritten signature in black ink, appearing to read 'Pat Danko', written over a horizontal line.
